# FROM THE PRESIDENTS DESK

Hi All,

This is without doubt the most disappointing column I have had to write all year. Our meeting at Queensland Raceway scheduled for 28,29 October has had to be cancelled due to lack of support by members and other competitors.

I understand that we in a time of uncertainty and financial instability so obviously this coupled with a number of other different reasons has obviously led to the poor entrant numbers.

I would like to put out a big thank you to John Tupicoff, Jim Goulden, Brian Henderson and Claude Ciccotelli who have worked tirelessly to try and make this race meeting happen. It is them I feel most sad for as all their hard work has come to nothing.

I would also like to thank Queensland Raceway for the support they have given us both during the process and when the decision was made to cancel and also Phil Ross from Shannons again for his support.

Anyway, we move on with our next event the Trophy Christmas presentation lunch at Cloudland 2 December 2023 (please see invitation below). We have over \$3,000 worth of prizes on offer on the day, so make sure you RSVP early and secure your seat.

You will have seen the flyer for TTT in February so make sure you come along to that and start your year off with a bit of fun.

This is my penultimate column as President of the club and have really enjoyed my 2 years as President. The AGM is set for Monday 27 November 2023 so make sure you get your votes in for the new committee.

See you all at the Christmas party.

Graeme Wakefield  
President HRCC

# MOTORSPORT AUSTRALIA FEES & CHARGES UPDATE

Motorsport Australia President Andrew Fraser has written a letter to all Motorsport Australia members.

Inflation pressures which most Australians are observing in general cost-of-living increases continue to impact individuals, businesses and all organisations, including sporting organisations.

Motorsport Australia is certainly not immune to these challenges and cost pressures. Added to this is the reality of ongoing and significant increases in our insurance costs over recent years. To meet the challenge of these rising costs, Motorsport Australia's Board has brought forward a 15 per cent increase to our 2024 fees and charges as of 1 October 2023.

This increase will apply to all products, with limited exceptions, most notably to our Junior Licence which we will hold at its current price.

We know this won't be news you want to hear, and it was not a decision we wanted to make. However, when you consider the significant increases in insurance, as well as our general operating costs, we are left with little choice but to pass these costs on, in part, across the sport.

Put simply, the cost of our insurance has risen almost 60 per cent since 2019. During this time Motorsport Australia has been working to absorb these significant increases, particularly during the COVID-19 pandemic where we held our fees steady and offered free licence extensions to the majority of our licence holders in what was a very difficult time for everyone.

Our operations have remained lean since this time and all staff worked throughout 2020 and 2021 on reduced salaries to avoid having to pass on significant increases in our fees.

As a member-based, not for profit organisation, the revenue we generate is utilised to invest back into the sport. A key priority as we look ahead is to invest in training, recruiting and retaining Motorsport Australia Officials to allow us all to continue to enjoy the sport we all know and love.

We remain committed to serving you, our members, and remain on hand to answer any queries or concerns you may have. You can contact our membership team during business hours via our hotline (1300 883 959) or via online chat through our dedicated [Member Portal at motorsport.org.au](https://motorsport.org.au).

Regards,  
Andrew Fraser
